The puzzles are arranged in a 5x2 grid. Each puzzle consists of a 4x4 grid with some cells shaded gray, some containing circles, and a vertical column of four stars (two black, two white). An arrow points to an empty 4x4 grid. The puzzles are arranged in five rows and two columns. The top-left puzzle has a black square with one white dot in its top-left corner. The top-right puzzle has a black square with four white dots in its top-left corner. The second row puzzles have black squares with two white dots. The third row puzzles have black squares with three white dots. The fourth row puzzles have black squares with four white dots. The bottom row puzzles have black squares with five white dots.
